Abstract

The abstract should conclude at the max. 250 words. The abstract should give readers brief and correct information about the material of the article. It indicates what methodology you have used for your results and how you are concluding these results. The abstract should be restricted into a single or two(not more than that) paragraph with Arial with Font Size 12, with proper justification.

Keywords: write 3-5 keywords of your research paper with semicolon and each word capitalised
