Career Opportunities

Animation

Experts believe that the Indian animation industry is set to clock stupendous growth in coming times. Animation, which encompasses gaming, web designing, creative content, television commercials, games for internet, personal computer and consoles, has a strong and wide reach across sectors.

According to a report by auditing firm PWC on the Indian media & entertainment industry, the animation industry is estimated to have been around Rs.1,100 crore in the year 2006 and it is expected to grow at a rate of 22% to reach Rs.5,400 crore at the end of 2014.

This is just over 2% of the size of the world’s animation industry and hence, there is tremendous growth potential for the industry.
