Poornima University is a proud constituent of Poornima Foundation (PF), established under the affluent intellect of Shanti Education Society since 2000. PF believes that the main objective of education is to produce a thoughtful, truthful, industrious and spiritual human beings for the society with outstanding knowledge in their field of specialization. PF firmly believe that infrastructure, well equipped libraries, conducive environment shall work magically to bring out honest and technically sound technocrats & professionals. The journey of PF began with the establishment of Poornima College of Engineering (PCE) in the year 2000. PF brought two more scholarly institutes named as Poornima Institute of Engineering & Technology (PIET) and Poornima School of Management (PSOM) in the year 2007. In the year 2009, fourth institute Poornima Group of Institutions (PGI) came into existence. PF added next feather to its cap in the year 2012 with the establishment of State Govt. Approved & UGC Recognized Poornima University.

In order to succeed, your desire for success should be greater than your fear of failure

- Largest group of professional education in Rajasthan
- All institutes ranked among top ten in Rajasthan
- 10,000+ alumni around the world
- 1000+ faculty & staff
- Globally adopted & acceptable CREDIT & GRADE system
- Global recognition & alliances
- Regular programs in association with IEEE, ISIE, EEE, ISHRAE, ISHE, NEN, CIL, RED HAT, NASSCOM, etc.
- Collaborations & Associations with Infosys, IBM, Accenture, L&T, etc.
- Highest Amount of Grants under MODROB Projects by AICTE & DST
- Students cracking TOEFL, GRE, GATE, CAT, IES every year
- Student's training at top notch organizations such as BARC, ONGC, NABARD, NOREL, MICO Bosch, PLC, Plytech, etc.
- In House Training on PLC, VHDL Micro-Controller Embedded Systems, Robotics, JAVA, IBM DB2, .NET, Oracle, CAD/CAM, etc.
- Tutor-Mentor system, Self Help Group and Online Examination system
- 10,000+ students from 24 States (Assam, Andhra Pradesh, Bihar, Chhattisgarh, Delhi, Gujarat, Haryana, Himachal Pradesh, J&K, Jharkhand, Karnataka, M.P., Maharashtra, New Delhi, Orissa, Punjab, Rajasthan, Sikkim, Tamil Nadu, U.P., U.K., West Bengal), Union Territories and Nepal

To create knowledge based society with scientific temper, team spirit and dignity of labor to face global competitive challenges.

To evolve and develop skill based systems for effective delivery of knowledge so as to equip young professionals with dedication and commitment to excellence in all spheres of life.

To provide quality education through faculty development, updating of facilities and continual improvement for meeting University norms and keeping stakeholders satisfied.

Your Dreams Our Goal

Mission

Vision

Quality Policy

Your Dream Our Goal

Poornima Foundation
The Chancellor Speaks

Dear Aspirants,

I heartily invite you to “Poornima University” where minds are filled, plans are envisioned and dreams are realized. We are a proud member of Poornima Foundation: The largest groups of Professional education in Rajasthan. We have initiated all relevant programmes to be a cutting-edge university and strive constantly to sustain and enhance quality in teaching and research. Our main focus is student. We recognize and nurture the abilities of individual student and groom him/her to grow into successful professionals in career and life. Our remarkable achievements in training and placements make us different.

Students are our touchstones and are at the core of our vision and mission. The University recognizes the abilities of its students very well and enables them to harness their potential and to grow and evolve into successful professionals. With a philosophy of professionalism built upon trust, openness, and passion, we plan to extend the reach of high quality education and the benefits that it brings to the wider community.

We keep cherishing the message from Rigveda “Be glorious and dazzling like the Sun, remove all vices and dispel darkness from the world within and without” and work with full commitment to ensure your academic, social and spiritual growth. Students who would graduate from Poornima University would be adequately equipped to understand and respond effectively and efficiently to the technological, environmental and ethical challenges they will face in a dynamic world of accelerating changes.

Patrons

Greetings,

We have seen great performance at perhaps an unprecedented level under the big umbrella of Poornima Foundation. Although Poornima University is at its growing stage however, it follows the same tradition of great performance of our renowned foundation.

We believe that no university can succeed unless it has all disciplines taught to students as they find it easy to interact with scientists, researchers and teachers across disciplines to know how the world is progressing in the present knowledge boom. Within a short span of time, Poornima University has imbibed this culture and students are involved in all of its activities with enthusiasm & a participatory approach which is rarely found in universities.

Poornima University values continuous improvement of teaching and learning and the use of innovative practices. We utilize our years of experience in education and feel commitment to deliver the highest quality education, both efficiently and reliably. This has greatly increased the confidence and satisfaction of all the stakeholders.

Inclusive of this, the hostel facilities in the University premises are provided with utmost care and attention so that the students feel secure and at ease. Upon the completion of their tenure at our institutions, students metamorphose into competent professionals. They are moulded in a way so as to have great careers, thus achieving remarkable success as professionals.

The Director General Speaks

Greetings,

We have seen great performance at perhaps an unprecedented level under the big umbrella of Poornima Foundation. Although Poornima University is at its growing stage however, it follows the same tradition of great performance of our renowned foundation.

We believe that no university can succeed unless it has all disciplines taught to students as they find it easy to interact with scientists, researchers and teachers across disciplines to know how the world is progressing in the present knowledge boom. Within a short span of time, Poornima University has imbibed this culture and students are involved in all of its activities with enthusiasm & a participatory approach which is rarely found in universities.

Poornima University values continuous improvement of teaching and learning and the use of innovative practices. We utilize our years of experience in education and feel commitment to deliver the highest quality education, both efficiently and reliably. This has greatly increased the confidence and satisfaction of all the stakeholders.

Inclusive of this, the hostel facilities in the University premises are provided with utmost care and attention so that the students feel secure and at ease. Upon the completion of their tenure at our institutions, students metamorphose into competent professionals. They are moulded in a way so as to have great careers, thus achieving remarkable success as professionals.
Mentors

Poornima University is proud to have a team of enlightened stalwart mentors, who helps to build a young person’s self-esteem. The academic mentors engage students in learning, promote students’ academic success, and foster students’ personal, ethical, and intellectual growth, all of which will carry into their roles as citizens, leaders, and lifelong learners.

Dr. R. P. Kashyap
School of Engineering and Technology (SET) is strengthening research, investigation and scientific temper among students and faculty members under the oceanic mentorship of an eminent & inspiring engineer, Dr. R. P. Kashyap. His association with premier institutes like MNIT, BITS PILANI, University of ROORKEE and Thapar Institute of Engg. & Tech. is continuously fueling SET.

Ar. R. K. Gupta
School of Planning and Architecture (SPA) is growing by leaps and bounds in a short duration of two years, under the creative mentorship of Ar. Ravi Kumar Gupta. Budding architects of Poornima University have an advantage of this visionary architect as Design Chair who is known for leading projects like Rajasthan Tourism Development Corporation, University of Rajasthan, Tourist village (IX Asian Games) Ramgarh etc.

Sh. D. P. Sarda
School of Management (SOM) and School of Commerce (SOC) are nurturing under the rich & vibrant knowledge of Sh. D. P. Sarda. The author of ‘Handbook on Project Appraisal and Follow up’, a senior faculty of bankers training college of RBI, consultant in Sri Lanka on a world bank assignment, is also mentoring the faculty and the students of Poornima University in the field of Banking & Finance.

Ar. N. C. Nakra
School of Planning and Architecture (SPA) is guided by a well-known Architect Ar. N.C. Nakra. His contribution in the field of Architecture is remarkable. He has prepared plans for Transport Nagar, worked on Jaipur Regional Plan, City Development Plan of Jaipur city. He has also designed and supervised construction of EL Khamees Buildings, 52 doctors Apartments, schools, shopping marts etc.

Patrons

Welcome to the Poornima University,

“Let acquiring education be your goal… and while you do so, acquire life long skills. We want you to brave challenges and emerge winners.”

This Admission Brochure in your hands shows that you are seriously considering admission in one of its program. I hope that it is a considered decision and I can assure you that this is a right decision.

“Commitment, dedication and definiteness of purpose is the starting point of all achievements. Poornima University (PU), in its inception and pace of growth, symbolizes the revolution taking place in the field of higher education in emergent India.”

The University offers the students a variety of courses to opt for study at under graduate (UG), post graduate (PG) or PhD level suited as per their career goals. The academic programs in the University have been designed to ensure an outstanding educational value with a wide selection of courses and flexible scheduling.

Our teachers are fully aware of the tortuous path of acquiring knowledge and are ever willing to help and guide the students in their journey towards excellence. We constantly endeavor to ensure that the students, during their stay discover the excitement of learning, the importance of individual integrity and commitment to work ethics and the joy of sharing and helping.

Good luck and blessings!

(Dr. K. K. S. Bhatia)
President, Poornima University
(Former Scientist F, NIH, Roorkee)
The faculty at Poornima University is dedicated to student learning and are highly accessible which makes students’ education experience a unique one. Publications in academic journals, membership of editorial boards & various organization make the faculty leading thinkers whose research & teaching are second to none. It is a perfect blend of core and visiting members.
Recognitions & Collaborations

Poornima University is established by Rajasthan State Legislature vide Act No. 16/2012, Notification FIL2(26) Vidhi/2/2012, dated 16/05/2012. The University is entitled to conduct various courses at UG, PG and Doctoral levels in the disciplines described in schedule II of the Act.

UGC STATUS

Poornima University, Jaipur (Rajasthan) has been established by the Act of State Legislature as a Private University and is empowered to award degrees as specified by the UGC under Section 22 of UGC Act, 1956 at its main campus in regular mode.

Faculty: The Life Line

A good teacher can inspire hope, ignite the imagination, and instill a love of learning.

- Er. Gaurav Soni
  Asst. Prof, ECE
  B.E, M.Tech
  Experience: 7 Yrs

- Er. Shikha Gautam
  Asso. Prof., Computer/IT
  M.Sc, M.Tech, Ph.D (Pursuing)
  Experience: 7 Yrs

- Er. Garima Mathur
  Asso. Prof, ECE
  B.Tech, MBA, M.Tech (Pursuing)
  Experience: 6.5 Yrs

- Ar. Gaurav Mohan Mathur
  Asso. Prof., Architecture
  B.Arch., M.Arch.
  Experience : 8 Yrs

- Dr. Ajay Khunteta
  Asso. Prof., Computer/IT
  M.Tech., Ph.D
  Experience : 11 Yrs

- Dr. Pran Nath Dadhich
  Asso. Prof., Civil
  M.Tech, Ph.D
  Experience : 11 Yrs

- Dr Chanchal Jain
  Asso. Prof., Maths
  M.Sc., Ph.D
  Experience : 11 Yrs

- Mr. Hariom Gurjar
  Asst. Prof, Comm. & Mgmt.
  MBA
  Experience: 7 Yrs

- Er. Ashwini Kapoor
  Asst. Prof., ME
  M.Tech.
  Experience : 7 Yrs

- Er. Amit Gupta
  Chief Proctor
  B.Tech, M.Tech
  Experience: 10 Yrs

- Mr. Jatin Seth
  Asst. Prof., Design
  MBA (Fashion)
  Experience: 5 Yrs

- Dr. Priti Kaushik
  Prof., Chemistry
  M.Sc., Ph.D
  Experience : 11 Yrs
An MOU with Asian Institute of Technology (AIT), Thailand establishes an understanding between AIT & PU for student exchange programmes, holding of joint international conferences, workshops, seminars etc.

An academic alliance with Hanyang University (HU), Korea enables cooperation between HU and PU for deriving mutual advantage in their pursuit of higher learning and exposure to each other’s programs.

i-Nurture Education Solutions Pvt. Ltd. is a pioneer in education of emerging Technology. i-Nurture as knowledge partner in Poornima University, aims to provide latest Industry update in Animation, Cloud & IT-IMS, Information Technology, Mobile Applications and Information Security.

Poornima University enjoys advantage of smart classrooms empowered by Pearson DigiClass. Pearson’s highest quality e-textbook content, flexible offering allows the advantage of a convenient and fully digital way for teaching and learning.

A Tie-Up with leading education service provider Career Launcher India Limited (CL) aims at training Poornima’s students to face global challenges posed by the recruiters. The training includes practice sessions, technical trainings, motivational & inspirational sessions by corporate trainers.

The National Cadet Corps (NCC) aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Poornima University breeds the same quality in its students through NCC advantage.

The Indian Society of Lighting Engineers (ISLE) is a professional body in the field of illuminating engineering. The student Chapter of ISLE in Poornima University fills the gap between academia & industry. Path Finders provides knowledge for basic needs and tangible tools to students. A Tie-Up with Priganik technologies provides training in the field of circuit simulation and PCB manufacturing.
Ph.D
Engineering, Management, Commerce, Humanities, Applied Sciences etc.

School of Engineering and Technology (SET)
Under Graduation (B.Tech)
- B.Tech. (Civil, Mechanical, Electrical, Computer, Information & Communication Technology)

School of Planning & Architecture (SPA)
Under Graduation (B.Arch)

School of Design (SOD)
Under Graduation (B.Des)
- B.Des (Interior Design, Fashion & Textile Design)

School of Management (SOM)
Under Graduation (B.B.A, B.Com)
Post Graduation (MBA)
- B.B.A. + MBA (All Branches)

School of Basic & Applied Sciences (SBA)
Under Graduation (B.C.A, B.Sc)
- B.C.A. (General, IT, Mobile Apps & Information Security)
- B.Sc. (Computer Science, Electronics, Physics, Chemistry)

Ph.D is mostly self-driven and self-taught degree with the supervisor gently aiding the process. The program and supervisor help mostly in creating an atmosphere and environment in which the scholar gets motivated to excel. Hence, while doing a Ph.D from Poornima University, the scholar becomes self-motivated and committed, and willing to work hard and long on problems. In this time consuming and complex process our effective and positive supervisors significantly influence the quality of Ph.D.

Our positive induction process brings out the perfect research work with the following advantages, Events & Activities:

- Advantage of Dual M. Tech. and Ph.D program
- Rich pool of highly experienced supervisors
- Workshop on MATLAB, LaTeX, Research Methodologies etc with Experts from IIT Kanpur & Maharashtra
- Full Time / Part Time course
- Regularly conduction of International/National Conference, seminar, workshop, Expert talks etc.
- In accordance with UGC guidelines 2009
- Course work designed by experts from IITs, NITs & Industries
- Events & Activities:
  - Two Days ISTE e-workshop on "Steps 2 Research"
  - IEEE International Conference entitled "Recent Advances & Innovations in Engineering" ICRAIE-2014 sponsor by IEEE Delhi Section
  - National Workshop on "Research Methods using Neural Networks in MATLAB"
  - National Workshop On "Wireless Networks Tools & Techniques" in association with ISTE, IEI and ISLE
- R & D centre at PU is constantly moving to the pinnacles of research. With state-of-the-art facilities and resources the focus is on honoring the Analytical and Intuitive skills. The University provides Ph.D program in Engineering, Management, Commerce, Applied Science etc. The Center of Innovations in Renewable Energy, Water & Waste Management, Remote Sensing & Health Systems are hub of all the R & D activities.

Ph.D
PhD is mostly self driven and self taught degree with the supervisor gently aiding the process. The program and supervisor help mostly in creating an atmosphere and environment in which the scholar gets motivated to excel. Hence, while doing a Ph.D from Poornima University, the scholar becomes self-motivated and committed, and willing to work hard and long on problems. In this time consuming and complex process our effective and positive supervisors significantly influence the quality of Ph.D.

Our positive induction process brings out the perfect research work with the following advantages, Events & Activities:

The University provides Ph.D program in Engineering, Management, Commerce, Applied Science etc. The Center of Innovations in Renewable Energy, Water & Waste Management, Remote Sensing & Health Systems are hub of all the R & D activities.
INNOVATIVE TEACHING & LEARNING METHODOLOGIES

Multidisciplinary SET develops ability to solve engineering problems with an understanding of professional and ethical responsibility. PhD & PG Programs encourage academia and professional bonding for UG students. It helps B. Tech. students to synthesize their ideas, infect specialized PhD & M. Tech. seniors provide seed for juniors to inculcate investigative attitude. This scholarly ambience gives birth to a true engineer.

Engineering is not only reading and comprehending but it is also to be proficient in applications. Poornima University provides the perfect ambience at SET which is highly inspiring and conducive for the acquisition of knowledge and honing of skills. The program of Engineering is designed where students can opt for integrated courses. An untethered spirit of knowledge, exploration, academic integrity, accountability and promotion of intellectual excellence make SET distinct from the rest.

In the ever growing field of engineering & technology, Poornima University is making extensive efforts in higher engineering education. M.Tech. programme at Poornima University acts as bridge between B. Tech. & PhD.

Innovative teaching-learning methodology

M. Tech.

In the ever growing field of engineering & technology, Poornima University is making extensive efforts in higher engineering education. M.Tech. programme at Poornima University acts as bridge between B. Tech. & PhD.

Each student of SET gets an opportunity to pursue four Professional Certificate Courses (PCC) in 4th, 5th, 6th, and 8th semester respectively.

Innovative teaching-learning methodology

SCHOOL AT A GLANCE

• Courses: B. Tech., M. Tech., PhD
• Dual Degree Program: B. Tech. + M. Tech., MBA
• Lablist, dynamic, advance and flexible syllabus in accordance to NIT and IITs
• Labs with latest technology & equipment
• Option for one Semester in Industry / Foreign University
• NCC, NSS Certification
• Accreditation with ISIE, ISHRAE, ISTE
• Extensive internet and online laboratories
• Internship duration 3 months
• Language laboratories in all the semesters
• Language/laboratories in all the semesters
• Preparation for competitive exams like GATE, IAS, IES
• Innovative teaching-learning methodology
• Talent Enrichment Program (TEP)
• Campus Recruitment Training (CRT)
• Professional Certification Courses (PCC) for every branch
• NCC, NSS Certification
• Accreditation with ISIE, ISHRAE, ISTE
• Extensive internet and online laboratories

M. Tech.

In the ever growing field of engineering & technology, Poornima University is making extensive efforts in higher engineering education. M.Tech. programme at Poornima University acts as bridge between B. Tech. & PhD.

• Contemporary subjects with more number of electives based on credit system
• Seminar presentation & practical sessions in each semester targeting finalness
• Smooth transition to the doctoral program with continuous evaluation & guidance process
• Guidance for reading, analyzing, summarizing & producing research papers by in house Ph.D candidate & supervisors
• Online review & research paper outcomes
• Industry oriented training and projects
• DELNET, IEEE, ISMME, GRIHA, EERE

School of Engineering & Technology (SET)

School of Engineering & Technology (SET)

17
The Electrical Graduates should be equipped to advance their knowledge while contributing professionally to a rapidly changing technology. To develop an ability for functioning on multi-disciplinary teams in Electrical Engineering, the PCC conducted for this session are:

II Year and III Year
• Multisim & Ultiboard
• Solar Technology
• SPICE & its Applications
• Auto-CAD for Electrical Engineers

To fill the demands of an emerging sector of Information Technology and to prepare the students for future workplace in Computer Engineering, the PCC conducted for this session are:

II Year and III Year
• Cyber Security & Ethical Hacking
• Animation/Flash
• CMS based Website Development using Word Press
• CCNA (Routing & Switching)

To develop an ability to design a system, component, or process to meet desired needs of manufacturability and sustainability in Mechanical Engineering, the PCC conducted for this session are:

II Year and III Year
• Energy Auditing Techniques
• Basic of Engineering Drawing and AutoCAD
• Basic Aspects of Working and Maintenance of Automobile

TALENT ENRICHMENT PROGRAMS
It is strategically planned according to the evolving needs of students while advancing through the course. It has been designed for holistic grooming of students keeping in consideration the overall development of a learner. TEP includes following technical and extracurricular activities:

• Technical Clubs - Software / Robotics Club / CAD / Energy Club etc.
• Activity Clubs - Rhetoric (Poetry, Anchoring, Debate, Presentations, Speech) / Literary / Sports / Fine arts / Social Services / Cinematography / Vocalist Clubs

EVENTS & ACTIVITIES
Poornima University hosts many events highlighting the importance of technology for tomorrow. Sports events, quizzes, seminars, music and dance are the parts of most of the college fests. The events and activities organized in the last session are:

• PRAYOGAM - Project Competition
• FTP - Training Program for Faculty & Staff
• Orientation Programme
• Workshops by IIT Bombay
• Teacher’s Day Celebration
• UDBHAV - Project Exhibition & Competition
• LAKSHYA - The Annual Sports & Cultural Fest
• Engineer’s Day Celebration

INDUSTRIAL TRAINING
As a part of curriculum, B.Tech. III year students successfully completed 45 days Industrial training from Nov. 24, 2014 to Jan. 15, 2015. Its vital to provide hands on experience & Industry exposure. The training were conducted in a vast spectrum from Govt., Semi-Govt. and Corporate entities. Few of them are:

SAIL, NBCC, HMT, NTPC, IOCL, HONDA, DLW, HINDALCO, MAHINDRA & MAHINDRA, SHRIRAM PISTONS & RINGS LTD., MARUTI SUZUKI, TATA MOTORS, HARLEY DAVIDSON, RMC, MAI NAI YANTRALAYA, BHEL, HCL, Girnar, TCS etc.
School of Planning and Architecture (SPA) an excellent school in architectural studies, is approved by the Council of Architecture (COA). It is also recognized as NATA Test Center (Test Center Code: RJ-14). SPA nurtures and educates students to develop high caliber, become sound in theory and practice, who can create an environment which is functional, aesthetic, economical and environment-friendly. At SPA, the academic focus and approach is a unique blend of design, creativity & objectivity. The budding architects are exposed to thought provoking and intellectually inspiring sessions through studios, site visits, market surveys, building documentation & research projects which bring out the creative best in them.

THINK TANK OF SPA
An intellectual group of Genius Architects continuously fuel SPA with their new ideas and creativity. Their timely advices act as a path finder in the journey of SPA.

Members Academic Advisory Board for SPA

Ar. Neeraj Gupta
Projects (Pushp Enclave, Jaipur

Ar. Rajendra Puri
Architect of Projects (Quark city : Chandigarh

School at a Glance
• Approval by Council of Architecture (COA)
• NATA TEST CENTER-2015
• Creative and innovative pool of faculty
• Visiting Faculty to avail specific expertise
• Highly active environment like participating in road shows, market surveys, educational tours, and creative activities

Events & Activities
SPA at PU do not believe in phantom on surface but we dig deep to get the pearl, therefore various activities are conducted throughout the year for pragmatic vision and better acquaintance of subject.

• Workshop on ARTS AND GRAPHICS. with objective of learning and understanding the technique, process and application of mural material
• Participation in NASA-2014 at Midas
• To develop a better insight of meticulously built work, visits to places like Padmini Palace Museum (Navagadh, Jaipur), Ghat Ki Guni-Agra Road, Barefoot College (Tilonia), Brick Kiln etc. were organized

Career Oriented Electives
At SPA, Career Oriented Elective courses provide an extra edge to the students. In addition to regular curriculum, PU provides following contemporary subjects:

• Vernacular Architecture
• Construction Management
• Sustainable Architecture
• Urban Design

CAREER ORIENTED ELECTIVES

Disaster Management
• Art in Architecture
• Architectural Conservations
• Intelligent Buildings

School of Planning and Architecture (SPA)

School Planning & Architecture (SPA)
With the enriched heritage in arts, architecture, culture and tradition of Rajasthani, “Design” today has become a need of every human for its being; it has come a long way in India since the past two decades. Given the vibrant economy and dynamic market forces, the industry is bound to grow exponentially. The scope of design has widened its avenues.

INDUSTRY BASED CURRICULUM
At SOD, the curriculum is so designed to give a combination of theory, skills, design project etc. supported by skill and innovation enhancement to provide the students of Poornima University an edge over the others. It is a four year degree course aligned with the demands of the industry and the norms set by Institute of Indian Interior Designers (IIID).

SCHOOL AT A GLANCE
• Courses: B. Des. (Interior Design) (Fashion & Textile Design)
• “Foundation design” study in art and design
• Integrated design Curriculum
• Association with Industry experts
• Frequent industrial visits
• Hands on Learning experience
• Well equipped studios & computer labs
• Extensive library
• Entrepreneurship oriented course
• Intensive subject oriented specializations: Hospitality Design, Product Design, Wedding Collection, Accessory Design etc.
• Well equipped studios & computer labs
• Extensive library
• Entrepreneurship oriented course
• Intensive subject oriented specializations: Hospitality Design, Product Design, Wedding Collection, Accessory Design etc.

As Services Sector contribute the largest chunk of India’s GDP, there are ample career opportunities for Commerce in ever-growing Indian economy. The concept of commerce consists of a wide range of interdisciplinary branches including Accountancy, Business Administration, E-Commerce, Finance, Economics and Marketing.

SCHOOL AT A GLANCE
• Courses: B. Com., B. Com. (Honors), B. Com. + MBA, PhD
• Credit System at par with the best universities in the world
• Continuous Internal Evaluation
• Association with Renowned Industry experts and Academicians
• Esteemed Faculty dedicated to holistic development of students
• Professional Certificate Courses: Each student of SOC shall have an opportunity to obtain Certificates
• Events and Activities go hand in hand with School of Management

TEP includes various clubs which are regularly conducting activities for boosting confidence & leadership level of the students in the area of Marketing, Sales Distribution, Supply chain Management, Investment Banking, Retail Banking, Branding, Advertising, Grooming, Human Resources & Accounting.

PROFESSIOANL CERTIFICATE COURSES
• Application of Financial Accounting
• TALLY
• MIS-Office
• Retail

INDUSTRY BASED CURRICULUM
At SOD, the curriculum is so designed to give a combination of theory, skills, design project etc. supported by skill and innovation enhancement to provide the students of Poornima University an edge over the others. It is a four year degree course aligned with the demands of the industry and the norms set by Institute of Indian Interior Designers (IIID).

• Esteemed Faculty dedicated to holistic development of students
• Professional Certificate Courses: Each student of SOC shall have an opportunity to obtain Certificates
• Events and Activities go hand in hand with School of Management
Poornima University provides a platform for an inspiring academic syllabus, research initiatives, creative work, world-class pedagogy of international standards, where students display their creativity and honing leadership skills. School of Management (SOM) makes the students industry-ready and also sharp their abilities to crack various competitive examinations for getting cushy jobs in PSUs, banks (IBPS), civil services, etc. The learning is reinforced with expert visiting faculty members coming to the campus to train and imbibe the necessary skills like quantitative aptitude, reasoning & corporate communication.

SOM believes in making business education highly relevant through constant course updates, regular industries interaction, hands-on exposure, able and experienced faculty with right mix of industry and academic experience and more importantly a deep sense of responsibility towards the society at large. The placement of first batch of MBA has been a testimony to this success story.

EVENTS & ACTIVITIES
An International Conference on “Small and Medium Enterprises in the Global Economy: Opportunities and Challenges”, was jointly organized by DMS – FGU and Poornima University (Jaipur) in collaboration with the Hanyang University (South Korea), and JKLJ (Jaipur).

SPECIAL SYLLABUS PROGRAMS
SOM recognizes that latent talent can be sculpted only by the perfect blend of theory and practice. It aims at bridging this gap by exposing students to the realities of the Industry. In a bid to cultivate practical exposure “Special Syllabus Programs” popularly called SSP runs as:

- Competitive Mathematics
- Computer Awareness
- Logical Reasoning
- Day to Day General Awareness
- Spoken English
- Financial Awareness

CAPSULE COURSES
The mission of capsule courses is to educate university students to improve job and lifelong learning skills. It also helps to develop managerial skills.

- Insurance
- Mutual Fund
- Financial Market
- Taxation
- Accounting
- Humanities & Soft Skills
- Bank Exam Preparation
- Pre Placement Training

TALENT ENRICHMENT PROGRAM
The students carry various fun and learn activities as a part of curriculum through following management clubs:

- Marketing Club
- Sales Distribution Club
- Retail Banking Club
- Branding Club
- Advertising Club
- Grooming Club
- Human Resources Club
- Accounting Club

__SCHOOL OF MANAGEMENT (SOM)__

**SCHOOL AT A GLANCE**
- Courses: BBA, MBA, BBA-MBA, PHD
- Highly Qualified and Esteemed Faculty
- Advanced Curriculum catering to Market needs
- Professional Certificate Courses
- Talent Enrichment Program

**PROFESSIONAL CERTIFICATE COURSES**
Each student has an opportunity to earn Career Oriented Certificates along with regular degree.

Professional Certificate Course

To keep the students updated with the latest job oriented skills, knowledge and to enhance their employability, PCC acts as catalyst. It is a part of regular time table with no extra fee and no extra time. Students get an opportunity to pursue one certificate course per semester from a wide range.
The meaning of Training is "to learn skills". Training enables to acquire latest skills, thus increased versatility for qualification for bustling career. Students who are in 2nd and/or 3rd year of their degree course spend a few years finishing college and a few year just learning the ropes at their first job. So it will really be about 5 years before their career really starts, however in Poornima University training is the integral part of the degree.

Training & Placement Cell has a unique and holistic program which develops Intellectual ability, academic ability, creative & productive thinking ability, leadership ability in students through:

Campus Recruitment & Super Club

Provisional Admission will be offered to the candidates on first come first serve basis if they meet the eligibility requirements. Confirmation of admission will be on the basis of verification of original documents and deposition of First Semester course fee as mentioned in this prospectus.

Refund Rules

All admissions are subject to fulfillment of eligibility criteria. If it is found at any stage that the candidate has submitted wrong information /certificate or concealed some information his/her admission will be cancelled without any notice and the fee will be refunded as per below norms.

Course Fee

- Development fee as prescribed in prospectus in Non-Refundable under any circumstances for all courses
- Fee will be refunded within 15 working days in case a student withdraws the admission before the commencement of classes and within 30 working days in case the student withdraws after commencement of classes
- If a student withdraws admission after commencement of classes but before last date of admission the fee will be refunded after deduction of Development Fee
- If a student withdraws admission after last date of admission no fee will be refunded
- Caution money is refundable subjected to submission of annual course fee and no dues certificate
- If a student withdraws in subsequent semester no fee will be refunded
- The above refund rules will also be applicable to a student who is expelled from the university on disciplinary grounds

Hostel Fee

- No deduction will be made if the student withdraws before the commencement of classes
- If a student withdraws within 15 days after commencement of classes, the hostel fee will be refunded after deduction of hostel charges @ Rs. 300/- per day
- Hostel fee will not be refunded of a student withdraws after 15 days of commencement of classes

Transport Fee

- No deduction will be made if the student withdraws before the transport facility before the commencement of classes
- If a student withdraws within 15 days after commencement of classes, the transport fee will be refunded after deduction of transport charges on pro-rata basis
- Transport fee will not be refunded if a student withdraws after 15 days of commencement of classes

Testimonials

Learning atmosphere at PU is stimulating has been providing a new avenue. Programs like PCL, personality development courses, Industrial training, interaction with industrial experts, boost my confidence and employability.

Ashok Kumar

Vice-Chancellor

School of Basic and Applied Science

Poornima University stands ahead of others in all aspects. Extensive curriculum & additional courses develops skills and ability to think independently for decision taking.

Itisha Singh

B.Tech.

School of Engineering & Technology

Poornima University, the name shows its grace and excellence. PU and iNurture have designed BCA program in such a way that provides us a great facility for learning and updating my knowledge. I am thankful to the entire staff and my peers.

Ishan Choudhary

BCA (IT-IMS & Cloud Technology)

School of Basic and Applied Science

PU’s vivacious learning environment, the higher level of professionalism, interaction with industrial experts, club activities & PCC groomed and placed me in JARO education.

Kapil Garg

MBA

School of Management

I am truly impressed with the hospitality of the faculty and students in this University. The students are also very participative which is good for learning and education.

Dr. Yasmeen Badik

Bangkok, Thailand

It is always nice to visit to Poornima. I am sure this University will prove it’s worth in higher education and in the service of nation. My wishes are always with University.

M. C. Govil

Prof. & Head, MNIT, Jaipur

I truly appreciate the dedication and efforts made by PU management for providing a good platform to my children. I am extremely delighted with the all-round progress being made by my daughter.
